								<input type="button" value="Clear"/>
								<input type="button" value="Insert"/>
								<input type="button" value="Delete"/>
								<input type="button" value="Rvw"/>

## IN THE GUIDE TAB-

In the guide screen, when your mouse is in the Price field, **enter the number 1** and then hit F4. The last price will populate if you are in the same Unit of Measure.

If you are not in the same Unit of Measure, you will get a pop up warning you that the price is below cost on the line. In this case, use the F3 function to price out this item.

(IN THIS EXAMPLE YOU CAN SEE THE MARGIN CHANGE FROM THE LAST PURCHASE IF THE LAST PRICE IS USED)
