That's How We Roll...

PRODUCT BENEFITS:

- ❖ Restaurant quality taste.
- ❖ We use the Old World method of rolled and sheeted pasta that results in thin, tender golden pasta with a distinct body and grace.
- ❖ Our ingredients are blended together, not pureed.
- ❖ We manufacture fresh extruded penne, rigatoni, ziti and elbows for our prepared meals.
- ❖ Flash Frozen for freshness and to lock in nutrients and vitamins.
- ❖ We are an SQF Level 2 Certified Manufacturing Facility

We know that more and more consumers are demanding foods that satisfy their desire for more "better-for-you" choices. Our pasta solutions are just what you need to grow category sales and satisfy these customer desires, while delivering outstanding performance, exceptional flavor, food safety, consistency and convenience.
